Hondrong, MAY 9TH, 1895. Tue battle of the standards is entering new on an acute stage. Until recently the comparative nearness to the China and Korean Oxford. He was elected Lord Rector of the Berthelot. The editor of the Rector of the Berthelot. The editor of the Rector of the Berthelot. The editor of the Rector of the Rector of the Berthelot. The editor of the Rector of gold monometallists looked down with lofty disdain on bimetallists as visionaries and fuld sts of whose attacks it was unnecessary to take serious notice. Gradually, however, the Limetallists have grown in numbers! their position has become a strong one, and t e other day a resolution in favour of bi metallism was carried in the German Reich. stag. The monometallists have now taken alarm and the other day there was founded an Association for the defence of the Ger-" man gold corrency." This has been followed by the foundation of a similar association in England and the bimetallist propaganda will now be mot by a counter agitation. The conversion, whether real or apparent only, of Germany to bimetallism is very significant in view of the former attitude of that Power. It has been alleged that the failure of the Brussels recent speech in the House of Commons on EVERETT'S motion, Sir WILLIAM VERNON HARCOURT denied the impeachment. and so far as that particular point was concharation on bimetallism at the Conference, he poir ted out, was by Count Alvenstienen, the following terms: - To create a representative and the ceptain fired over the heads of representative of Germany, in the following Sanitary Board and then stultify it, after its the Chinamen, but they were powerless to preterms :- " Germany, being satisfied with its splendid services at such a crisis as the recent vent their engraschments, and the vessel had to "monetary system, has no intention of "modifying its basis," In fact, said the Chance for of the Exchequer, England was the principal supporter of the resolution into which the Board have been forced and to miles away. B-fore leaving, bowever, the chief brong t forward by the United States in favour of the increased use of silver, but the had to be abandoned in cousethe discouragement' it received use of silver," as used in this conper tion, must not be taken as synonymons Jules Joubort, the Great Australian exhibitionwith him the lime of a sit went, however, manager, is very keen about running an inter- a junk. Many stories have been told of the mistakes with a skimpy old girl, almost old enough to be his grandmother; and there was Miss Johnson The following is the result of the City and a lookin' so beautiful, with flowers and feathers. and bita o' glass a sparkling! I never made no mistakes except giving one old gentleman mustard wrong side, and just a few drops of gravy, 3 and down a unbaknown indy's back!"

"A friend who brings me good stories," says Mr. James Payn, "tells me one of the late Kensington stabbing source. A lady who shared the panio was going bome one afternoon, when in a Negacaki lonely part of the road a woman, respectably Shaughai drassed, asked her the way to the very square in which she lived. Thinking this a certain prelude to the usual stab with a knife, the lady, with grout presence of mind, hit her interrogator two violent blows in the face with the handle of hor umbrella, which put her to flight, and then ran Victoria Pau. bome at the top of her speed. It was an adventure of which she thought she had some reason to be proud, though it rather upset her. She had advertised for a cook, and at five o'clock she was expecting a person to call upon her about Manila the situation. She did not arrive, however, till Cape S. James ... nearly six, and then not in a very presentable condition. A bandage was on her forehead, and some aticking-plaster over her nose. 'I'm sorry.' she said, 'to be late, ma'am; but I have had a frightful adventure! I asked my way to your house of a person who almost looked like a lady, and she up with her umbrella and knocked me about most dreadful! However, I am glad to have escaped, for I have no doubt it was the Kensington Ripper!"

The emolyments of the office of Speaker are £5,000 a year and the use of a suite of palatial apartments sumptuously furnished. Here the Speaker gives his receptions and Parliamentary dinners, and those who have the entres to his residence are accounted the happiest men politics. The architectural impressiveness of the rooms is quite unlike that of a private man nion, the Gothic style of the Houses of Parliament-of which they form a part-being faithfully followed. Consequently the Speaker lives, in a series of Gothio balls, with mullioned windows, with panelled walls and ceilings, and Barometer ...... richly carted mantelpieces. A pension of 24,000 Temperature a year for life in granted under statute to an 'ex-Speaker. This sum was enjoyed by Direction of wind ... the late. Viscount Hampden from 1884 to his death in 1892. Viscount Eversleigh (Mr. Shaw-Lefevre), who died in 1888, was for over 30 years in receipt of this amount There is at the moment no ex-Speaker living except Mr. Peel. Since Mr. Shaw-Lefevre left the chair there have been only three Speakers -Mr. Denison, hir Henry Brand, and Mr. Peel The Speaker who has held the chair for the longest period appears to be Mr. Speaker Onslow, who was elected in 1727, and remained for
